

# What is a Donor-Advised Fund?

Donor-advised funds (DAF) are the fastest-growing charitable giving vehicle in the United States because they are one of the easiest and most tax-advantageous ways to give to charity.

A donor-advised fund works as a philanthropic account with the sole purpose of supporting charitable organizations and causes close to your heart. Through your donor advised fund at OCCF, you can organize all your charitable activities through one expertly-managed and cost-effective charitable vehicle. Your gift qualifies for an immediate tax deduction, and you can take your time deciding which organizations to recommend for grants. OCCF handles the legal, financial, and administrative burdens, including writing grant checks and tracking results. As a donor advisor, you will have access to our personalized service and planning to ensure your philanthropy is as effective and fulfilling as possible.
